PROFESSIONAL EXPERIENCE

Giani Birbal Singh Ji (Youtube Channel)
Content Creator (Freelance)

February 2023 - Present

Gained extensive experience in graphic design and video editing through freelance projects for a prominent YouTube channel. Worked closely with the team to create visually compelling content, tailored to audience preferences and industry trends.

Accomplishments:

- Enhanced graphic designing and video editing skills during tenure at a prominent YouTube channel.
- Collaborated closely with the team to create visually compelling content.
- Contributed to crafting engaging graphics and seamlessly editing videos to enhance storytelling.
- Developed a keen understanding of audience preferences and industry trends.
- Continuously elevated content quality and impact within the dynamic channel environment.

Purple Brick.co
Graphic Designer Intern

May 2024 - July 2024

During my three-month internship at Purple Brick Company, I gained extensive knowledge in various aspects of graphic design. I had the opportunity to work on diverse projects, enhancing my skills in areas such as logo creation, branding, and digital illustration.

Accomplishments:

- Developed proficiency in Adobe Creative Suite, including Photoshop, Illustrator, and InDesign.
- Participated in the complete design process from brainstorming to final execution.
- Collaborated with the marketing team to create visually appealing content for social media.
- Improved time management skills by handling multiple projects simultaneously under tight deadlines.

PROJECTS

Dream Baseball

- Caricature : Whimsical caricature of iconic player, crafted with Adobe Illustrator.
- Logo : Official Dream Baseball logo embodies the sport's essence.
- Isometric Baseball Ground : A 3d empty baseball ground with a parking area outside.
- Concept ad : Invites viewers to immerse themselves in the digital oasis of baseball excitement.
- Infographics : Informative visuals offer insights into baseball's history and stats.

Portfolio Website

- Created a fully responsive portfolio website using HTML, CSS, and JavaScript.
- Implemented light and dark mode features for a customized viewing experience.
- Designed an intuitive interface to showcase my graphic design projects.
- Enhanced interactivity with JavaScript for smooth transitions and dynamic updates.
- Ensured clean, maintainable code and best practices for long-term scalability.

Social Webestica Clone

- Responsive Design: HTML, CSS, JavaScript, and Bootstrap used for seamless user experience on all devices.
- Authentic Look: Front-end mirrors Social Webestica's aesthetics and functionality.
- Interactive Features: JavaScript adds dynamic content loading, real-time notifications, and responsive navigation.
- Bootstrap Integration: Ensures design consistency across different screen sizes.
- User-friendly Interface: Intuitive navigation, interactive elements, and visually appealing layouts enhance user experience.
